## MOST FUN BAR/ NIGHTCLUB SCENE

### ► FIRST PLACE: **CHILL BAR PALM SPRINGS**

The best way to describe us is simply, "CHILL". Our atmosphere of well balanced music, friendly staff and social patrons make it the best place in town to mix and mingle. Arcadia glass windows open to access the patio and beautiful views of Arenas Road. We are the only bar on the block with a non-smoking patio area and encourage our guests to step out and enjoy a cocktail on a perfect Palm Springs afternoon or evening. Always cooled to a perfect chilled temperature we are literally the coolest bar in town. Offering competitively priced libations and happy hour seven days a week from opening to 7pm, there's always a reason to come in, kick your up feet and "CHILL".

## NON-PROFIT EVENT OR GALA

### ► FIRST PLACE: **RED DRESS PARTY**

Dress Red is the only dance party in Palm Springs where you can expect queens, bears, femmes, studs, and everything in between serving up fabulousness and dancing the night away amongst local TV personalities, philanthropists, and politicians.

The only requirement? Rock a sassy red dress or your wildest red creation in support of The LGBT Community Center of the Desert. It's an affordable night of dancing, dressing up, dancing, delightful companionship - and did we say dancing?! Party your night away with 500 of your (soon-to-be) closest friends and give new meaning to the phrase "paint the town red!"
