Rodeo Directs Report
Board/Chapter Meeting
December 21, 2017

Fundraising:

Since the last Board meeting, there has been several fundraisers. They have fallen into the movie Good, Bad and Ugly. Good news is that we have raised over \$1500.00 with the majority of it coming from the Yard Sale, with the Beer Bust adding about \$260.00, the Bad very little support is coming from the Chapter., Ugly is that with over 60 members we are seeing less than 15% participating. If it were not for Tim and Jim the Yard sale would have been major fail. I strongly recommend that no more yard sales be planned unless we have another major contributor of items. I am also hoping for more members to help with fundraising and supporting the events.

Going forward from here, I sent the royalty team and the Chapter Vice President of Administration an email of the tentative planned event and requested their help with coming up with a few more.

DBA Mixer:

On November 27, the Chapter and Trunks Bar hosted the DBA mixer. There were 55 DBA members and guest present. We have received one buckle sponsor and I have been in contact with a few others that have expressed an interest in sponsoring. I will be following up with them again after the first of the year.

Sponsors:

At the last production meeting, we reviewed the sponsorships from the past few years. As we reviewed then notes were made as to who the contact were. I have email the list to those who were not at the production meets to see if they could follow up. Those present at the meeting had advised that contact those that they knew.

I will be contacting the ones that we are not sure who was the contact person. There are SO many sponsors of items from Lisa Marie Smith, that I needed to call her. She is fully committed to trying again to get items for us. She did advise that might not be as much as last year as she has some personal things she will be doing. I thanked for what she has done and anything she can offer no matter how small that we would be grateful.

Meetings and events:

I attend then Christmas Event for the Boys and Girls of Cathedral City. What an event, one evening they raised \$120,000. More about this at the next Production meeting. I also meet with the Sisters about being a vendor selling peanuts or Popcorn. I have not heard back from the, however this meeting was also their elections. The nest night I was at the PSLOD meeting, they were thankful for the early contact and have agreed to be the bartender at the rodeo and sponsoring the Volunteer buckle.

The stock contract and been adjusted to reflect the new rules that were passed at convention. This will be sent to Bill and Jane after the first of the year.

Update on rodeo officials.

Invitations have been sent to the following:

Dee Zuspann	Area Director	Accepted
Denise Reinhart-Stange	Chute Coordinator	Accepted
Amy Griffan	Judge	
Steve Wollert	Judge	Not decided
Ron Trusley	Secretary	Accepted
Guy Puglisi	Scorekeeper	Not decided
Richard Kelly	Assistant Scorekeeper	Declined
Megan Follin	Arena Crew Coordinator	Accepted

I have received input for those who have accepted as to who they would like as the assistance. Those emails will be going out next week.

Friday Night Contestant registration and Party:

Tomorrow I will be meeting with Robert Cole, the new owner of the Tool Shed. I will be exploring the option of moving Contestant Registration and the women party to the Tool Shed parking lot. Before I made the contact with Robert about this, I had spoken to Kim here at the Center. She is the key contact here on events for the women. She feels that if the event is outside with food and an earlier start she could get about 30 local women to show.

In closing, I am asking for two things at this point. One sponsorship. If you know of someone that is interested and cannot work with in the guidelines of the packets. Please call me, the packets are guidelines only. We can work with them to come up with a package that can be agreeable to everyone. Two, support the fundraisers.

Respectfully Submitted,
Glen W Dickard
