Subj: VPA Report

The following is submitted from my three areas of general overview:

Fundraising:

Proceeds from February dance: \$80 (= 16 persons vs. 23)
Raffle not undertaken due to poor attendance
Proceeds from Brandon Stansell Trunks event: \$300

PS Chapter team at Red Dress Dress Red event Saturday won competition among four teams
And was awarded 50% of \$741 in proceeds. \$371 plus a further \$20 from Kristy Schaeffer to
the Jimmy Golden buckle fund paid to treasury today.

Truck Dyal will brief board on current fundraising initiatives.

Next fundraising event is Country Dance tomorrow, Thursday, Feb. 15th at Chill.
Revenue from these and all future fundraising activity through mid-May continue to be for the
benefit of Palm Springs Hot Rodeo.

Merchandise:

Aqua Hot Rodeo t-shirt is in production. Another fuscia color shirt planned for volunteer use.
Would like to revisit new ball cap. Feedback from Stansell performance two weeks ago has
not been very positive.

Royalty:

New Rodeo Royalty initiative launched Thursday, March 8th. Sixteen people, including aspiring
contestants for three titles, attended Royalty Roundtable hosted by Christopher Durbin.
Handouts to the group included a guide to the interview and competition process which
included sample questions possible interview. Questions included response information which
can be used as a study guide. Next scheduled royalty program event is the competition, step-
down, and crowing of 2019 Royalty Team (scheduled Friday, May 18th at StreetBar). In the
meantime contestants are expected to participate in various fundraising events with minimum
proceeds of \$100 for the benefit of Palm Springs Rodeo.

(Continued on following page...)

Dance Committee:

Members briefed on change from Friday to Thursday. Plan is to maintain current schedule of once monthly. There are many challenges with hosting the event on Thursdays. It is incumbent on all of us, therefore, to promote the dance and to solicit increased attendance from our networks of friends and associates.

New "Year in Review" video, given to Truck for upload to Chill AV system a week ago, will premier at the dance tomorrow night. It consists of 292 images from nearly every rodeo sponsored activity in 2017 (from dances to Casino Night). The program repeats every half hour.
