

GAY RODEO ORAL HISTORY PROJECT

DEAR IGRA MEMBERS,

I am hoping to help preserve a vital aspect
of American history: your histories.

With the help of Frank Harrell and the archives team,
I aim to record, transcribe, and preserve oral histories
of people who have participated in IGRA.

INTERVIEW INFORMATION:

Interviews will vary in length and depth, depending on your comfort level.

You are free to tell your story, including your childhood, relationships, how you
became interested in the association, and the impact it has had on your life.

Interviews will be recorded with an audio recorder, or if you permit, a video camera.

If you prefer, you may remain anonymous, you may decline to
answer questions, and you may end the interview at any time.

You will be provided with the opportunity to give or withhold consent
for how your oral history may be used.

SPRING & SUMMER RODEOS:

Texas Tradition Rodeo outside of Dallas (March 31 - April 2)

Hot Rodeo in Palm Springs (May 12 - 14)

Rocky Mountain Regional Rodeo in Denver (July 7 - 9)

If you have any interest in scheduling an interview with me,
